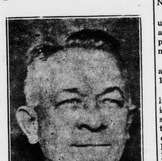
R. L. Burke, County Leader, Passes Here at Age of 81



Mr. Richard Leigh Burke, Sr., 81, one of the most outstanding citizens of his generation in Appomattox, passed away at his home here early Monday morning, after an extended illness.

He was born June 25, 1878, at Appomattox, the son of Richard Floyd and Alice Sears Burke. He was educated in private and public schools. Mr. Burke was married on June 8, 1904, to Miss Roberta Wood, of Campbell County, who survives. As a young man he became associated with the Norfolk and Western Railway Company, and served in various capacities. In 1901, upon the establishment of the Bank of Appomattox, he was one of the original stockholders. In 1908, he resigned his position with the Railroad, to become associated with his father, R. F. Burke, in the Bank of Appomattox. He began as Assistant Cashier, later becoming Cashier, and then President of the Bank.

He was elected to serve in the General Assembly of Virginia, as a member of the House of Delegates, for the terms 1916, 1918, and the Special Session of 1919, representing Appomattox County.

In 1924, upon the death of his father, he succeded him as Treasurer of Appomattox County, and was repeatedly re-elected to that office until his health caused him to resign.

Mr. Burke served two terms as President of the Virginia County and City Treasurers' Association. He also served as a member of the Executive Committee of the Virginia Bankers' Association.

He was a Past Master of Monroe Masonic Lodge of Appomattox, and a Charter Member and Past President of Appomattox Lions Club.

He was a member of the Liberty Baptist Church, and had served as Superintendent of the Sunday School, a deacon, and later as chairman of the Board of Deacons.

Mr. Burke helped organize a number of firms and corporations in Appomattox and his life was a testimonial to his zeal for service to his community and state, in church, civic, business, banking, and political life. A Virginia Gentleman of charming personality, a successful and proved leader in all matters of public life, the area was proud to acclaim him as one of its most distinguished citizens.

In addition to his wife, he is survived by two sons, William Wood Burke, and Richard Leigh Burke, Jr., a brother, Jerry A. Burke, and five grandchildren, all of Appomattox.

Funeral services were held at 3 P. M. Tuesday at Liberty Cemetery, conducted by the Rev. James T. Cravens. Interment was in the family plot.

Dial 2811 with Personals.

At a special meeting of the Appomattox Town Council on Wednesday evening of this week, an ordinance was enacted and is published today, setting up a 2-month holiday on parking meters in the town. The holiday period will begin October 1, and end the last day of November.

At the same time, the Town set up an ordinance for enforcement of a one-hour parking limit in the places at present covered by the meters.

The public is warned that meters are still in operation until October 1, when the "holiday" will begin.

It is understood to have been the intent of the Town Council to see if a holiday on use of meters would serve to boost business in the downtown area, and if the public would cooperate by not abusing the privilege of free parking for one hour. It is presumed that at the end of the two-month holiday, the Town will re-evaluate the matter and decide whether or not to return to the meters.

It is also understood that during this period, the present town police will be retained to aid in enforcing the one-hour limit.

The regular meeting of the Town Council will be held the third Monday evening, at the Town Office.

The action of the Town on this matter was by unanimous vote.

(For a copy of the ordinance adopted last night, see same on Page Eleven).

A. H. S. GRADS ON COLLEGE SQUADS

Hopes for Appomattox football fans to see a "home town boy" play with a major college football team this fall were given a set back last week when Tommy O'Brien sustained a knee injury in practice at V. P. I. Tommy was all set to take a first-string role as guard for the Virginia Tech team. However, it is hoped that this knee injury will not be serious, and that he may yet get into the big Tech games.

Also at V. P. I. is Raymond Massie, a former A. H. S. player.

Dan Coleman is at Va. Tech, and may get to play a lot of football on the freshman team. Freddie Mitchell and Charles Crawley, last year stars at A .H .S., are at Hampden-Sydney College, and they should see freshman service, or even work up to the varsity in games where the freshmen are eligible for varsity competition.
